## SWP TRADITIONAL SPACE PICKET PANELS

This is a traditional space picket manufactured with 1x3 pickets in front of the rail. This is the classic look of the white picket fence that many homeowners dream of. SWP can bring the dream to a reality for you and your home . Straight top or scallop, the choice is yours.

## SWP THROUGH THE RAIL SPACE PICKET PANELS

These beautiful Space Picket Panels are constructed with 1x3 flat pickets that are manufactured through the rail. This SWP style looks the same from both sides of the fence.

## SWP GATES

SWP builds strong gates. We offer welded and repairable socket gates. We use special engineered bracing, as required. We can build your gate to match any style panel, or we can custom design a special gate for you. Many styles of gate hardware are available. Your local dealer will know what best suits your needs.

## SWP ARBORS

SWP's Heavy Duty 5x5 Vinyl Arbors are offered in 42", 48" and 60" widths, along with different lattice styles. An arbor is always an inviting feature in your yard. An arbor can be used as an entranceway with a gate, or an arbor can stand alone as a focal point in any setting.

## SWP RANCH RAILS

Whether your corral is actually for horses or just for looks, SWP's Ranch Rail can do the job. Our Ranch Rail is available in 2 rail, 3 rail, and 4 rail configurations.

SWP Industries is one of the world's largest manufacturers of Custom Fencing. Over the years, we have supplied thousands and thousands of homes throughout the North East with our superior fence products.

Our Vinyl fencing is made with 100% Virgin Vinyl. SWP has the most stringent quality controls to ensure that all of our products meet or beat industry standards. Your SWP Vinyl fence is warranted for as long as you own your home. See our Lifetime Warranty for more details.

All of SWP's fence products are high-end, home improvement grade, and are only available from professional fence dealers. We are constantly adding new styles, so if you don't see what you want, just ask your local dealer. There are also many styles of fence post caps on the market. We have shown only our most popular New England Post Cap.

Your local fence dealer can advise you of local zoning and pool ordinances, as well answer any other questions regarding your fencing requirements.

**SWP is also a manufacturer of Cedar and Aluminum fencing.**
